2021 first semi-annual audit report on print circulations

In the periodic press section of the ABC ČR system, 128 titles of newspapers and magazines were audited in the first half-year of 2021, which is 9 titles less than in previous half-year. In the advertising and business publications, 9 titles were audited, which is 1 title less than in previous half-year. The circulations were published on the web pages of www.unievydavatelu.cz under the link "Media Data/Print Circulation Audit" and on the website www.abccr.cz under the link "Audited data". The data published in these media have satisfied all the conditions of audit as follows:

- I. **Periodic press** – The data acquired by audit in dailies, supplements, weeklies, bi-weeklies, monthlies, publications with a longer duration period and B2B magazines vary by less than one percent from the published data.

- II. **Advertising and business publications** – The data acquired by audit in dailies, weeklies and publications with a longer duration period vary by less than one percent from the published.

ABC ČR declares the circulations of the first half-year of 2021 as audited.

ABC ČR would like to thank to all the publisher's employees who were involved in the auditing process.
